"Moon Is Mine, The"

No calls, no letters Just fireweeds and stinging nettles
but the moon is mine Yeah, the moon is mine Bad news
in the papers Bad news for this sinner's wages but the
moon is mine Yeah, the moon is mine Skim a stone
across the river Throw all my money in the wishing well
I can't afford the cost of living if the price is living hell
No-one to call me baby; no, no No valentines again but
the moon is mine Yeah, the moon is mine No hook to
hang my hat on No rooms for rent today but the moon
is mine Yeah, the moon is mine Skim a stone across the
river Throw all my money in a wishing well I can't afford
the cost of living if the price is living hell I used to
believe in a glittering prize but lately I've seen that
that's just a pillow of lies And the moon is mine Yeah,
the moon is mine That beautiful ball of cheese is my
personal property The moon is mine The moon is mine
Oh, the moon is mine The moon is... mine!
