Oh, oh, oh...

Won't you give your love to me  
I've been waiting so patiently  
Because I need your love so bad

Mmm, I come to thee  
On my bending knees  
Because I need your love so bad

Oh, oh, oh, oh  
I'm gonna tell you  
Just how I feel  
I'm gonna tell you  
That this love is real

Baby, baby, baby  
You don't understand  
That I want to be your lover man

Oh, say you'll give your love to me  
I've been waiting so patiently  
Because I need your love so bad

Mmmm, so bad  
Oh, oh, oh, oh, so bad  
Ooh, so bad, so bad
