Ain't no guy in town

Who would ever try to put me down

When I'm walkin' walkin' with my angel, whoa-uh-oh

'cause every guy I see

Is a-wishin' that-a he were me

When I'm walkin' walkin' with my angel (angel)

a-when we're strollin' hand in hand

I'm as happy as can be

Aww, she's the prettiest girl in town

And everyone can see she belongs to me

Well I feel so proud

It's as good as walkin' on a cloud

When I'm walkin' walkin' with my angel

Aww, when we're strollin' hand in hand

I'm as happy as can be

'cause she's the prettiest girl in town

And everyone can see she belongs to me

Well I feel so proud

It's as good as walkin' on a cloud

When I'm walkin' walkin' with my angel

Aww, when I'm walkin' walkin' with my angel

FADE

Yeah, when I'm walkin' walkin' with my angel
