Title : [Adults Ruin Everything]

[H.P.:

Who shuts the mall down early?
Who wants you in by dark?

Timmy:

Ya!
Who gets all mad and sirly
when we make a smart remark?
Who do we have to hide from?
From Dimsdale to old Bejing?
Their taking away our summer,
Adults ruin everything!

Kids:

Adults ruin everything!

Timmy:

With all their rules and laws!

Kids:

Adults ruin everything!

Timmy

We must fight back because!

Kids:

Adults ruin everything!

Timmy:

Time and time again!

Kids:

Adults ruin everything!

Timmy:

Trust no one over ten!

Chester:

I feed the whole world ice cream!

Veronica:

I supersize the mall!

A.J.:

I melt stuff with my heat beam!

H.P.:

Too bad it's not your call.

Timmy:

But I've got two magic fairys!

Cosmo:

Wands waiting to be twirled!

Timmy:

Adults can't ruin everything
if us kids ran the world!

Kids:

Adults ruin everything!

Timmy:

But kids would run things right!

Kids:

Adults ruin everything!

Timmy:

But we know we can fight!

Kids:

Adults ruin everything!

Timmy:

That's how this day unfurled
But that wont happen if I wish
That us kids ran the world!

(music)

Kids:

Adults ruin everything!

Timmy:

But kids would run things right!

Kids:

Adults ruin everything!

Timmy:

But we know we can fight!

Kids:

Adults ruin everything!

Timmy:

That's how this day unfurled
But that wont happen if I wish
That us kids ran the world!

Timmy:

Who gets to send the curfews?

Kids:

Kids!

Timmy:

Who gets to make the laws?

Kids:

Kids!

Timmy:

There's one adult left we all trust
And his name is Santa Claus!

Kids:

Kids!

Timmy:

Who gets to run the country?

Kids:

Kids!

Timmy:

Who gets to say what's cool?

Kids:

Kids!

Timmy:

How can I put it bluntly?

Kids:

Kids!

(sing this at same time)

Timmy:

Now it's kids who rule!

Kids:

Adults ruined everything
But now it's kid who rule!
