When I'm feeling lonely
As sad as I can be
All by myself on an uncharted island
In the endless sea

What makes me happy
Fills me up with glee
Those bones in my JAW!
That don't have a flaw

My Shiny Teeth and ME

My shiny teeth that twinkle
Just like the stars in space
My shiny teeth that sparkle
Add beauty to my face
My shiny teeth that glisten
Just like a Christmas tree
You know you'll walk a mile just to see me smile
Whoo!
My Shiny Teeth and Me
(shiny teeth shiny teeth)

Yes! they are all so perfect
So white and pearly
Brush, gargle, rinse,
A couple breath mints
My shiny teeth and me

My shiny teeth so awesome
Just like your favorite song
My shiny teeth I floss them
So they grow to be real strong
My shiny teeth I love them
And they all love me (AhhhAhhh)
Why should I talk to you
When I got 32 (whoo)
My shiny teeth and me

(shiny teeth shiny teeth)

My shiny teeth and me

(shiny teeth shiny teeth)

{music}

My shiny teeth that twinkle
Just like the stars in space
My shiny teeth that sparkle
Add beauty to my face
My shiny teeth that glisten
Just like a Christmas tree (ahhhhahhhh)
You know you'll walk a mile just to see me smile
Whoo!
My Shiny Teeth and Me
(shiny teeth shiny teeth)

My shiny teeth and me
(shiny teeth shiny teeth)

My shiny teeth and me! {Stronger}
