You may search at any cost
But how long can you search for what's not lost?
Everybody will help you
Some people are very kind
But if I can save you any time
Come on, give it to me
I'll keep it with mine
I can't help it, if you might think I'm odd
If I say I'm loving you, not for what you are, but for what
you're not
Everybody will help you
Discover what you set out to find
But if I can save you any time
Come on, give it to me
I'll keep it with mine
The train leaves at half past ten
But I'll be back tomorrow at the same time again
The conductor, he's weary
He's still stuck on the line
But if I can save you any time
Come on, give it to me
I'll keep it with mine
