Jack O'Diamonds, on the move  
Jack O'Diamonds, one-eyed knave  
On the move, hits the street  
Bumps his head, on the ground  
Well, he's a scout, you're born to lose  
Shouldn't stay  
Jack O'Diamonds is a hard card to play  
Jack O'Diamonds, yeah Jack O'Diamonds  
This one-eyed prince, wears a ?single love?  
Oh sure, he's not that lovely  
Jack O'Diamonds broke my hand  
Left me here to stand  
Jack O'Diamonds is a hard card to land  
Jack O'Diamonds is a hard card  
Jack O'Diamonds is a high card  
Jack O'Diamonds is a hard card  
But it ain't hard enough  
Jack O'Diamonds can open for riches  
Jack O'Diamonds but then it switches

Colour by picture but it's only a ten  
Jack O'Diamonds, yeah Jack O'Diamonds  
Jack O'Diamonds is a hard card to play  
Jack O'Diamonds, yeah Jack O'Diamonds  
This one-eyed prince, wears a ?single love?  
Oh sure, he's not that lovely  
Jack O'Diamonds broke my hand  
Left me here to stand  
Jack O'Diamonds is a hard card to play  
Jack O'Diamonds is a hard card  
Jack O'Diamonds is a high card  
Jack O'Diamonds is a hard card  
But it ain't hard enough  
Jack O'Diamonds can open for riches  
Jack O'Diamonds but then it switches  
Colour by picture but it's only a ten  
Jack O'Diamonds
