Someone told me there's a grace that leads you straight from place to place
And you always leave the road behind you
You don't pood your borses shad, just a dowser and leave the road behind your borses shad, just a dowser and leave the road behind your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a dowser and leave the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, just a downer where the road your borses shad, it is not a downer where the road your borses where the road your borses

You don't need your horses shod, just a dowser and his rod

Leave your mistress, she won't need to find you (Chorus)

Oh please, journeyman, help me on my way
Oh please, help me please, I won't be afraid
Oh please, journeyman, help me on my way
Oh please, help me please, I won't be afraid
Leave my weary flesh and bone to a circle made of
stone

Take me to the mountains for my pleasure And if the dead man won't depart, drive a stake into his heart

And let me ere deliver him his leisure

(Chorus)

(Chorus)

When you see the race is run and the dark has just begun

Come on with the few and leave the many

There you'll find the journeyman with a lantern in his

hand

He'll show you a good time for a penny

(Chorus)
