Chorus-

I just can' help feeling the way I feel.
Just let me show you this love is real.
I just can't help feeling the way I feel.
The things you do to me, Boy I love you.

Verse 1-

The time has come for me to show.
Show that I care for you so.
No one makes me feel the way you do,
And I'll never let you go.

Chorus-

Verse 2-

You know my love for you is strong.

I loved you for to long.
Now it's time for you to realize,
That you'll always be in my heart.

Bridge-

And I love the things you do for me.
You give me so much joy.
Boy you know all I need is you.
You mean the world to me,
And it's plain to see,
That boy I love you.
