Dido :

How can I change the world if I can't even change myself ?

I cannot change the way I am ?

I don't know, I don't know.

Maxi Jazz :

I take a look at the world behind these eyes,

Every nook, every cranny reorganise,

Realise my face don't fit the way I feel.

What's real ?

I need a mirror to check my face is in place,

Incase of upheval, fundamental movement below,

What's really going on I wanna know,

But yo, we don't show on the outside, so slide.

Just below my skin I'm screaming...

I need a mirror for my spirit,

Yeah, acn you feel it ?

When I get deep, wanna hear myself sleep,

Not drowning, just tumbling around and around in the voices

Like a crowd in my head so loud,

I wonder what it's like to be dead,

I hope it's quiet, noise in my head like a riot,

Any remedy you have for me I'll try it.

Just below my skin I'm screaming...

I'm going deep, so deep that I can't sleep,

The pills ain't cheep but the bills are steep,

So I \_\_\_ with a booze and a slpiff,

Try to snooze,

But who's dreaming \_\_\_ this is win or loose,

Put down the drink, try not to think,

Let it go, fundamental movement below,

And yo, reality is dreaming,

Just below my skin I'm screaming...
