Don't go

I didn't know you'd be here  
and I wasn't meant to come  
I'd be sitting watching TV  
If there was anything decent on

If I'd missed the taxi  
Or found nothing good to wear  
But for some uncertain reason  
Some strange uncertain reason  
This is how it all  
It all began

Why go?  
Why go?  
When you could stay a while

If I made some coffee  
Would you sit and talk some more?  
I know words are usually pointless  
When you've used them all before

The way you smile fills the room  
Stay a while kick off your shoes  
Don't go  
Please stay  
It always happens this way

Chorus

The way you smile fills the room  
Stay a while  
What's there to lose?  
The way you laugh  
When I say  
Don't go  
Please stay

Chorus
