I'd gone to ground  
Thought I'd sleep forever somehow  
So you flickered till you dimmed  
And foolishly I let you in  
I'd gone to ground  
While you laid waste to my realm  
Blew your friendly dust upon my face  
I hapless rendered me to grave  
Oh there are Truths behind the death in eyes  
And Love may have no afterlife  
Just a smile that spills it's cracks  
Dull but painted well  
I'd gone to ground  
Thought I'd feel more safe and sound

Then I felt your shadow there  
Hoping I'd sleep unaware  
Oh - I'd gone to ground  
And you buried me deeper down  
You Narcissistic murderess  
Against my trusting Do-Nothingness  
The Agony  
To awaken from the dead  
Resurrected with disgrace  
My tomb plundered and ablaze  
Oh there are Truths behind the death in eyes  
And Love may have no afterlife  
Just like wretched Lazarus  
Dull but painted well
