Suffer the ragged dances the supreme debt to Nature
The horror that a hero may inspire when a hero falls
and
All the secrets of a life
Flood in and slink away the terror breath in breast gone
Too sane

Closing the gap between heaven and earth
Failure succeeds at last to bring you down
Persuaded somehow to undergo dissection to promote
the

Legend
A Tantarion Lamb torn piece by piece the prayers
released

Divine or diabolical the vacant face of youth
Powdered and rouged the Monster in it's place Playing
god
On stage
So talented at wretchedness search Cities of Refuge
All eyes dim past the empty seat of the honored guest
