Starry eyed, you came
Running into my arms
Then you cried don't let go

You knew I would be
Waiting to touch you
Deep inside of your heart

(CHORUS)
You are my only weakness
And I melt when you're around
I swear you leave me helpless
Now I'm begging, don't let me down

Lose control of my senses
When you're near me
Trying not to give in

But you break down my defenses
And here we are
Deep in love, once again

(CHORUS) 2X

Don't let me down now, baby

My weakness, my weakness
Oh, baby, melt when you're around
My weakness...
