Heartache singin' round my door
never felt so low before
painted on my heart, is a new shade of blue
now i know what its like to cry
what its like to want to die
painted on my heart, is a new shade of blue
gone is my love my only one
what has been done is done
all the dreams i thought would last
now belong to the past
nothing left that i can see
nothing left but misery
painted on my heart, is a new shade of blue
gone is my love my only one
what has been done is done
all the dreams i thought would last
now belong to the past
nothing left that i can see
nothing left but misery
painted on my heart, is a new shade of blue
