You know love makes a fool of you  
You do anything that it wants you to  
Love can make you feel so good  
When it does like you think it should  
Or it can make you cry at night  
When your baby don't treat you right

[CHORUS]

When you're feeling sad and blue  
You know love's made a fool of you  
You know love's made a fool of you

You know love makes a fool of men  
But you don't care  
You're gonna try again  
Time goes by, it's passing fast  
You think your lover has come at last  
By and by, you're gonna find  
Crazy loving has made you blind

[Repeat CHORUS]

Love can make you feel so good  
When it does like you think it should  
Or it can make you cry at night  
When your baby don't treat you right

[Repeat CHORUS]
