[queen latifah]:

Uhh faith, big tif

On the remix uh bad boy, flava unit for the nine-six
yeah

Check it out no joke without a doubt hah yeah

Uh now check it out

Listen who's spreading all the rumors, who's selling all
the lies

Its spreading us apart, it's fucking with my heart

You be sayin' keep it real and keep it real i must

You my man, i'm your girl yo what's up with the trust

Yo tell me why you flex do you have a guilty complex?

Could you be laying up with the next? i'm vexed

Cause i'm losing you for something that don't even
exist

Your number one with my kiss it ain't no twos on my list
and that's the jist

I'm looking for that special part of you, things won't be
the same

If i lose my baby boo (lose my baby boo)

And my all girl crew only want to smoke blunts sip brew

But i want you so get at me don't get mad at me

Let's talk it out cause all i really want is to be happy like
mary

I'm getting wary of these games it's heavy on my mind
like a weave

I can't leave so it gots to change

[faith evans]:

When your around i get this feeling inside

That lets me know my emotions won't hide

But i just got to get 'cha to know i got to show you baby

Everything you mean to me there ain't no

Ain't nobody who can love me like you do

Ain't no reason that i'll be untrue

Ain't no need for me to try i can't find the reason why

Ain't nobody who can love me like you do

Ever since you've been in my life

I have a new direction

And i know where i want to be
Boy you know it's with you
Cause i love what you do when your makin' sweet love
to me

I use to think that i was wrong for wanting to
Be with you all the time
I never knew you would play games with my mind

1 - ain't nobody who can love me like you do
Ain't no reason that i'll be untrue
There's no need for me to try i can't find the reason
why
Ain't nobody who can love me like you do

Repeat 1

2 - can't nobody love me better
Make me happy can't nobody love me like you boy
Cause you give me your good love
Can't nobody love me like you

Repeat 2 (2x)
