I like this right here, yeah
Bad boy and we won't stop
Faith, '99

We can dance, dance, dance
Clap your hands, hands, hands
All night, if you're in the mood
Do what you wanna do all night long

Happy days are here
So leave your cares behind
Just relax your mind
It's so easy to do it

Just enjoy yourself if the feeling's right
Get your groove on tonight
Take your time tonight, everything's all right
Ain't nothing but a party

We can dance, dance, dance
Clap your hands, hands, hands
All night, if you're in the mood
Do what you wanna do all night long

Get up on the floor
Don't worry 'bout a thing
Rhythm's got you now
So come on, get into it

Just enjoy yourself if the feeling's right
Get your groove on tonight
Take your time tonight, everything's all right
Ain't nothing but a party

We can dance, dance, dance
Clap your hands, hands, hands
All night, if you're in the mood
Do what you wanna do all night long

Have a good time
Lay back, relax
Just free your mind

Let the music take control of you

Yeah, yeah, yeah, yeah, yeah
If it's a hot then I must've did it
If it's not then I wasn't with it
Bad boy stay committed

Whether Hip-Hop or R&B
Featuring Faith Evans, co starring me, P. Diddy
You know I got the key to your city
Unlock the door, rock some more

Beats we lace, bad boy heat the place
We run R&B too 'cuz we keep the faith
Givin' the streets a taste, blaze the charts
I remember

In case you forgot, first Lady B making it hot
Ain't nobody taking the spot
Now it's Faith instead of pain
Coming through with a better grain

In the dash, cell phone better range
Get the cash, stock paper for the whole four quarters
Damn, some things never change
You feel me? Let's make 'em dance, let's go
Yeah, yeah, yeah, yeah, yeah

We can dance, dance, dance
Clap your hands, hands, hands
All night, if you're in the mood
Do what you wanna do all night long

Have a good time
Lay back, relax
Just free your mind
Let the music take control of you

We can dance, dance, dance
Clap your hands, hands, hands
All night, if you're in the mood
Do what you wanna do all night long

We can dance, dance, dance
Clap your hands, hands, hands
All night, if you're in the mood
Do what you wanna do all night long
