Single ladies, I can't hear ya!

Single ladies, make noise!

Single ladies, I can't hear ya!

Single ladies, make noise!

All the chickenheads... Be quiet!

All the chickenheads... Be quiet!

All the chickenheads... Be quiet!

Yeah ladies, Fatman Scoop, Faith Evans sing along!

Come on!

[Faith Evans]

I never knew there was a love like this before

Engine, engine, number 9
On the New York transit line
If my train rolls off the track
Pick it up, pick it up,
Back from the scene,
Crispy and clean,
You can travel the world coz you can't intervene,
Reeper the outkast,
Down for the subtle,
World play rock,
Go play the bubble,
Open the door,
You best believe aside and do it swift-ley,
Nifftely,
We can make it hip a beat,
Girls with all codes work with me,
Beady apinch a me,
DOO DAH DIPPEDY
So now i dwell just to say your plainer,
Hold your cup coz i got the container,
Pass the plata,
Across the fader,
Black shit you play like the sony innovater,
Remember the traiter,
Party inflater,

And you can get a scoop later.
Lets go lets go

Whos f***ing tonight, whos f***ing tonight, whos
f***ing tonight, oh oh
Whos f***ing tonight, whos f***ing tonight, whos
f***ing tonight, oh oh

Keep playing, keep it moving,
Keep playing, keep it moving
Keep playing, keep it moving, oh, oh, oh, oh
