I was getting fed up with all your dipping out
With every girl around town, you know what
I'm talking 'bout 'cause you've been caught
And I forgave you many times

But now I slipped up and while your friend
Was around, I gave him a taste of my love
I know that I broke your trust for a night of lust
But don't let that break us up

Charge it to the game baby, I know what's going on
When you say you're alone and you won't pick up the
phone
Charge it to the game baby, you can't even hate
Don't get up in my face 'cause your boy got a taste

He is your best man, your best friend
I guess you didn't know that I had him
I know that you hate that, it's like that
You were the best but yet he ain't so bad

He is your best man, your best friend
I guess you didn't know that I had him
I know that you hate that, it's like that
You were the best but yet he ain't so bad

I needed a shoulder to cry on
But I got more than a shoulder that night
I know that you're mad and you're angry
Who gives a damn? You didn't treat me right

You know that I love you more than anything
You are the center of my life
It was just tit for tat, a little pay back
Let it go and leave it like that

Charge it to the game baby, I know what's going on
When you say you're alone and you won't pick up the
phone
Charge it to the game baby, you can't even hate
Don't get up in my face 'cause your boy got a taste

He is your best man, your best friend
I guess you didn't know that I had him
I know that you hate that, it's like that
You were the best but yet he ain't so bad

He is your best man, your best friend
I guess you didn't know that I had him
I know that you hate that, it's like that
You were the best but yet he ain't so bad

So many times you broke my heart
I never thought that it would heal
So I decided to return the pain
You always make me feel

Now, I won't try to justify
What I did but I'll tell you why
If you think someone else is in my life
Then maybe you'll treat me right, yeah

Bum, bum, bum, bum, bum
Bum, bum, bum, bum, bum
Bum, bum, bum, bum, bum
Bum, bum, bum, bum, bum, bum

Bum, bum, bum, bum, bum
Bum, bum, bum, bum, bum
Bum, bum, bum, bum, bum
Bum, bum, bum, bum, bum, bum

He is your best man, your best friend
I guess you didn't know that I had him
I know that you hate that, it's like that
You were the best but yet he ain't so bad
