(Carl Thomas)

I always dream that everything
Would be okay with me and you
I was wrong
Than i look into your eyes
I didn't see all the things i use to see
What's going on

(Faith Evans)

You gave me a reason to believe
That we were always meant to be
But now i see, you were wrong
You can't keep running back to me
With all those baby baby please
There's no more, no more

Never imagine you would be a faded picture
I'm emotional, I'm emotional
Guess I'll be leaving, you're decieving, it's official
I'm emotional, so emotional

(Faith Evans)

I can't forget that night
I saw you in the corner wrapped up tight
You were wrong
Still dancing on the floor
While i was watching from the door
So hurt
There you were

You gave me a reason to believe
That we were always meant to be
But now i see, you were wrong
You can't keep running back to me
With all those baby baby please
There's no more, no more

Never imagine you would be a faded picture
I'm emotional, I'm emotional
Guess I'll be leaving, you're decieving, it's official
I'm emotional

You had your chance (had your chance)
But you threw it all away
Thought you had my love always (oh baby)
I don't understand (don't understand)
Why you think that we could stay
A total unhappiness

Never imagine you would be a faded picture
I'm emotional, I'm emotional
Guess I'll be leaving, you're deceiving, it's official
I'm emotional, so emotional...
