Chestnuts roasting on an open fire  
Jack Frost nipping at your nose  
Yuletide carols being sung by a choir  
And folks dressed up like Eskimos

Everybody knows a turkey and some mistletoe  
Help to make the season bright  
Tiny tots with their eyes all a glow  
Will find it hard to sleep tonight

They know that Santa's on his way  
He's loaded lots of toys and goodies on his sleigh  
And every Mother's child is gonna spy  
To see if reindeer really know how to fly

And so I'm offering a simple little phrase  
To kids from one to ninety two  
Although, it's been said many times, many ways  
Merry Christmas to you

They know that Santa's on his way, oh, oh  
And he's loaded lots of toys and goodies on his sleigh  
Oh and every Mother's child, ooh, they're gonna spy  
To see reindeer really know how to fly

And so I'm offering a simple little phrase  
To every little kid from one to ninety two  
Although, it's been said many times, many ways  
Merry Christmas, Merry Christmas  
Merry, Merry Christmas to you, Merry Christmas, baby
