I wanna ask you one thing
If you would stop to listen
Tell of a man who loves you
In spite of what you've done to him
The only problem is you won't take
The time to acknowledge
What he's done for you and me
Let me refresh your memory

Chorus

He took off his crown from his head
And came down from heaven
He laid down his life in our stead
Now what is more important?

I wanna ask you one thing
If you would stop to listen
Tell of a man who loves you
In spite of what you've done to him
The only problem is you won't take
The time to acknowledge
What he's done for you and me
Let me remind you all he (took it off)

Chorus

Bridge

Why don't you give your life to him today
Please don't you hesitate and don't delay
Why don't you give to him your life today
Please don't you hesitate and don't delay

Chorus
