AH ahh ah dumb  
Dumb, dumb yeah dumb

Now baby I was wrapped to be your love  
So crazy for you couldn't get enough  
My girl is down and damn was no defense  
I play the fool time we turn again yeah

Now I feel the deep and much regret  
And I can't get over, can't get over  
I can't get over it  
Filled with so much pain I won't forget  
So I'm over this, so I'm over this

Chorus:

That's my I'm sayin that it's over for you  
My my, I try me best undressed and love you  
So long, I'm say inside you're not...  
'Cause I won't be your dumb for you  
That's my I'm sayin that it's over for you, it's over for  
you  
I try me best undressed and love you  
So long, I'm say inside you're not... , so long  
'Cause I won't be your dumb for you

I won't be a dummy for you, yeah  
One more time,  
Now baby I was wrapped to be your love  
So stupid for you couldn't get enough  
So willing that I would anything  
Just like I was about that on the string yeah

All I feel a deep and much regret  
And I can't get over  
Filled with so much pain I won't forget  
So I'm over this, so I'm over this

Chorus:

That's my I'm sayin that it's over for you  
My my, I try me best undressed and love you  
So long, I'm say inside you're not...

'Cause I won't be your dummy for you  
That's my I'm sayin that it's over for you, it's over for  
you  
I try me best undressed and love you  
So long, I'm say inside you're not... , so long  
'Cause I won't be your dummy for you

Oh, you thought I wasn't gonna do it  
Well you bet you get into it honey  
'Cause you'll be one shows and stuns and ticks  
So you can let the door now hit you with a good Lord's  
switch you baby  
Huh, you better pill the bridge and get over it  
'Cause I'm her leans door  
I ain't nobody's fool

[Chorus:]
