Ooh Mmm Oh oh, ooh

Kandi:

I was in misery without you
I could not imagine life without you
It was such a painful thing to go through
Have you being taken away
But I, I dried my tears
Even though it took a couple of years
I guess I had to just get over my fears
Of being alone
But it gets...

Chorus 1

It gets, it gets easier
Without you
I won't feel right
I can't feel right
Without you
But it gets, it gets easier

Chorus 1

Faith:

I thought my life was over without you
Thought I would be oh so sad darling
'Cause you left me here to face all my fears
All by myself, with nobody else
Now that you're gone, I just got to move on
But my love will never change
It'll always stay the same
I felt you were gone, the lonely nights alone
I get weak, then I'm strong
It gets easier

Chorus 1

Chorus 1

Kandi:

Sometimes it's really hard to just let go

Faith:
Don't feel like movin' on, oh, yet I know

Kandi & Faith:
Just breathin' air is hard to bare
When the one that you love is not there

Faith:
Thoughts of you sit heavy on my mind

Kandi:
I always reminisce on our good times

Kandi & Faith
I just take it day by day
I know that it'll never be easy
But I can say, it gets easier
Chorus
