Fallin' in love  
Fallin' in love again  
Fallin' in love again, with you  
Fallin' in love  
Fallin' in love again  
Fallin' in love again, with you

Sometimes I think about you  
And I remember all the things we've been through  
And I realize that I need you  
I've fallen so in love with you

Fallin' in love  
Fallin' in love again  
Fallin' in love again, with you  
Fallin' in love  
Fallin' in love again  
Fallin' in love again, with you

Oh, it's funny how things change  
Not long ago I thought my love for you would fade  
away  
Your love gets sweeter everyday  
So in love with you I want to stay, so baby

Promise that you'll stay  
Never take your love away  
Cause I need your love  
You're stuck in my heart , don't you know  
And my feelings are strong and I can't let you go

Fallin' in love  
Fallin' in love again  
Fallin' in love again, with you  
Fallin' in love  
Fallin' in love again  
Fallin' in love again, with you

Promise that you'll stay  
Never take your love away  
Cause I need your love  
You're stuck in my heart , don't you know

And my feelings are strong and I can't let you go

Fallin' in love  
Fallin' in love again  
Fallin' in love again, with you  
Fallin' in love  
Fallin' in love again  
Fallin' in love again, with you

All that you want and more  
I just wanna close the door  
And share my love, and share my love  
I just wanna be with you  
Show you that my love is true  
But you don't see, believe in me

Fallin' in love  
Fallin' in love again  
Fallin' in love again, with you  
Fallin' in love  
Fallin' in love again  
Fallin' in love again, with you
