Seven days of work  
Getting no break  
Gotta take a day off to unwind  
It gives me time to get away  
A little time to ease my mind, my mind tonight

Forget about your worries  
Save your problems for tomorrow  
Tonight just try to have a good time  
Let the DJ make it easy  
Let the music help you do it  
Tell me don't you wanna live the good life

The Good Life  
Good friends, no stresses  
The Good Life  
Laid back, relaxed in  
The Good Life  
Good love, no messes  
The Good Life  
Wanna live in the Good Life

Dancing with a glass of champagne  
Or maybe Chardonay, keep me feeling good all night  
See so many happy people on the floor  
Leave your problems at the door, the door

Forget about your worries  
Save your problems for tomorrow  
Tonight just try to have a good time  
Let the DJ make it easy  
Let the music help you do it  
Tell me don't you wanna live the good life

The Good Life  
Good friends, no stresses  
The Good Life  
Laid back, relaxed in  
The Good Life  
Good love, no messes  
The Good Life  
Wanna live in the Good Life

The Good Life  
Good friends, no stresses

The Good Life  
Laid back, relaxed in  
The Good Life  
Good love, no messes  
The Good Life  
Wanna live in the Good Life

We'll dance the night away  
Inside it feels so good I wanna stay  
Although I hate I have to go  
And face another day  
I'm gonna get my groove on and party, party

Forget about your worries  
Save your problems for tomorrow  
Tonight just try to have a good time  
Let the DJ make it easy  
Let the music help you do it  
Tell me don't you wanna live the good life

[Faith](Flex)  
The Good Life  
Don't you wanna live in  
The Good Life  
Laid back, relaxed in  
The Good Life  
Good friends, good lovin'  
The Good Life  
Oh I wanna live the good life  
(Yeah, exactly)  
The Good Life  
(Ha, ha)  
Tell me do you wanna live  
(You know what I mean)  
The Good Life  
(Shout to Bad Boy and shout to my man Puff Daddy)  
Laying back, just relaxin'  
(Alright, Faith Evans, Todd, all of that)  
The Good Life...  
(Funk Flex 60 minutes of Funk, now we gonna do it So  
So Def style)
