This is the heartbreak hotel  
This is the heartbreak hotel  
This is the heartbreak hotel  
This is the heartbreak hotel

You said that you'd be here by nine  
Instead you took your time  
You didn't think to call me (boy)  
Here I sit  
trying not to cry  
Asking myself why  
you do this to me

CHORUS:

Since you're not around for me to tell you baby face to  
face  
I'm writing you this letter, and this is what I have to  
say:oooh (babe)  
All I really wanted was some of your time  
Instead you told me lies  
When someone else was on your mind  
What do you do to me  
Look what you did to me  
I thought that you were someone who would do me  
right  
until you played with my emotions and you made me  
cry  
What did you do to me  
Can't take what you did to me

Now I see that you been doing wrong  
You played me all along.  
And made a fool of me, babe ahh  
You got it all wrong to think that I wouldn't find out  
That you were cheating on me. darlin  
How could you do it to me?

Since you're not around for me to tell you baby face to  
face  
I'm writing you this letter, and this is what I have to say:  
All I really wanted was some of your time  
Instead you told me lies

When someone else was on your mind  
What do you do to me  
Look what you did to me  
I thought that you were someone who would do me  
right  
until you played with my emotions and you made me  
cry  
What do you do to me  
Can't take what you did to me

This is the heartbreak hotel  
This is the heartbreak hotel  
This is the heartbreak hotel  
This is the heartbreak hotel

All I really wanted was some of your time  
Instead you told me lies  
When someone else was on your mind  
What did you do to me  
Look what you did to me  
I thought that you were someone who would do me  
right  
until you played with my emotions and you made me  
cry  
What did you do to me  
Can't take what you did to me

All I really wanted was some of your time  
Instead you told me lies  
When someone else was on your mind  
What did you do to me  
Look what you did to me  
I thought that you were someone who would do me  
right  
until you played with my emotions and you made me  
cry  
What did you do to me  
Can't take what you did to me

I ain't goin' to take it no more  
I ain't goin' to take it no more  
I ain't goin' to take it no more  
I ain't goin' to take it no more

Everything that you said was a lie  
Don't lie to me
