I just can't help feeling the way I feel  
Just let me show you this love is real  
I just can't help feeling the way I feel  
The things you do to me, boy I love you

The time has come for me to show  
Show that I care for you so  
No one makes me feel the way you do  
And I'll never let you go.

I just can't help feeling the way I feel  
Just let me show you this love is real  
I just can't help feeling the way I feel  
The things you do to me, boy I love you

You know my love for you is strong  
I loved you for too long  
Now it's time for you to realize,  
That you'll always be in my heart

And I love the things you do for me  
You give me so much joy  
Boy you know all I need is you  
You mean the world to me and  
It's plain to see that (boy) I love you.

I just can't help feeling the way I feel  
Just let me show you this love is real  
I just can't help feeling the way I feel  
The things you do to me, boy I love you

I just can't help feeling the way I feel  
Just let me show you this love is real  
I just can't help feeling the way I feel  
The things you do to me, boy I love you

And I love the things you do to me  
You give me so much joy  
Boy you know all I need is you  
You mean the world to me and  
It's plain to see that (boy) I love you.
