Verse 1:

Now let me be real with you
About my feelings
The way that i deal with you
I just can't conceal it
Now i don't really mind all
Your female friends and all but
Just know that i'm possessive
And aggressive when it comes to you

Chorus:

I'm so jealous!
'n i can't help it
I'm not the type that cares to share because i'm selfish
I'm so jealous!
I can't control it
'n ain't no need to lie about it because i know it.

Verse 2:

Now don't you get it confused
Cuz i'm not trippin
And i know there's no substitute
For what i'm givin
But all that super friendly extra lovely dovey hugs and
greetings
Make me feel like you might be out there cheating

Chorus:

I'm so jealous!
'n i can't help it
I'm not the type that cares to share because i'm selfish
I'm so jealous!
I can't control it
'n ain't no need to lie about it because i know it.

Bridge:

Every now and then i might check your caller i.d.

Just to see who's calling other than me
And every other girl i know does the same thing to
But they don't ever say that they do

Chorus (out)

I'm so jealous!
'n i can't help it
I'm not the type that cares to share because i'm selfish
I'm so jealous!
I can't control it
'n ain't no need to lie about it because i know it.
