And I can't believe it's real
Can't believe it's you
I can't believe it's happening
I can't believe it's true
And I can't believe
That you are here with me
And I am here with you

(Kissing you)
Softly kissing you
(Kissing you)
Forever kissing you
(Kissing you)
Kissing you

Can't believe my eyes
I don't know what to do
I can't believe that you are mine
Nor that I'm lying here with you
And I can't believe
You're making love with me
And I'm making it with you

(Kissing you)
Softly kissing you
(Kissing you)
Forever kissing you
(Kissing you)
Kissing you

Through the night, I feel your fire
And there's nothing but you in my mind
As you quench me of all my desires
And I melt in ecstasy, oh, oh, I

I can't believe it's real
(can't believe it's real)
I can't believe it's true
(can't believe it's true)
I can't believe that you chose me
When I was choosing you
(Can't believe when I was choosing you)

And I can't believe
That you are here with me
(And I can't believe
That you are here with me)
And I am here with you

(Kissing you)
Softly kissing you
(Kissing you)
Forever kissing you
(Kissing you)
Oh, gently kissing you

(Kissing you)
Kissing you
(Kissing you)
Kissing you
(Kissing you)
Kissing you
