You abandon me
Love don't live here anymore
(Oh no)
Just a vacancy
Love don't live here anymore
(No, no)

When you lived inside of me
There was nothing I could conceive
That you wouldn't do for me
Trouble seemed so far away
You changed that right away

You abandon me
Love don't live here anymore
(Oh no)
Just a vacancy
Love don't live here anymore
(No, no)

Love don't live her anymore
Just emptiness and memories of
What we had before
You went away found another
Place to stay, another home

Love don't live her anymore
Just emptiness and memories of
What we had before
You went away found another
Place to stay, another home

Throughout the windows of my eyes
Everyone can see the loneliness
Inside of me why'd you have to go away
Don't you know I miss you so
I need your love

You abandon me
Love don't live here anymore
(Oh no)
Just a vacancy

Love don't live here anymore
(No, no)

Love don't live her anymore
Just emptiness and memories of
What we had before
You went away found another
Place to stay, another home

Love don't love here
(Love don't live here)
Love don't live here anymore
Love don't live here
Love don't live here anymore
