A brand new life I can see
Never thought that you'd be a special part of me
No, baby (yeah, yeah, uhhh, c'mon)
The reasons are because of you
I can go on and make it through
I can't even take my mind off loving you
And I wanna say

All the things you mean to me (c'mon)
I'm so amazed that you are mine

If we can work together
Maybe this can last forever
This is something that I want to hold onto
