If I had one wish boy

I'd wish you next to me

And it could be in Summer Fall or Spring boy

Cuse you make my heart sing

I wanna give my heart my soul my love to you ohh baby
yeah

Cuse everyday I'm not with you I'm missing you

Like crazy

I need for you to

[Chorus 1]

(I need ya to)

Love me (love me)

Hold me (hold me)

Touch me (touch me)

Down deep in my soul

Never let it go

Of the love we share, no one compares to you

I'll never let you go,

Cuse I really love you so

ohh I,

I'll never let you go

ohhh nooo,

no, no ,no, no

You must know the truth boy,

I'm nothing without you,

Its funny how I know what people mean, boy

When its too good to be true

Because you give me joy, good love, good times,

Such happiness, ohh yeah

And every day I thank the Lord for you,

I feel, so blessed

I need for you to,

[Repeat Chorus 1]

[Chorus 2]

If you only knew,

What you really do

Ain't never had no one that does it quite like you do

You can spend half a life time trying to find one like
you

That's why I'm so glad I found you, babe

I wished upon a star and it came true

Darling I need for you to,

[Repeat Chorus 1]

hmmmm, hmmmm
