(Verse)

Let me take you way back when  
95 where all began  
Hot blonde chick from the Jersey bricks  
Niggas in the hood said she's the shit

(Verse)

She could sing and be writing hits  
And at that time I was on my grind  
Started getting checks, plus a little fame  
Then Puff told me we bout to change the game

(Chorus)

When you hear my voice  
Know you better recognize  
Better recognize  
Everybody knows me  
From the hits that I drop  
The hits that I drop  
The hits that I drop

(Verse)

Haters never phase me  
Been the hottest chick in the game since the 90s  
Why you think the nigga Puff signed me  
So sick with it when I spit like this  
Talk real slick 'cause you know I'm from the bricks  
Fizzy come through you know what it is  
Step up in the booth and I handles my bizz

(Chorus)

When you hear my voice  
Know you better recognize  
Everybody knows me  
From the hits that I drop  
The hits that I drop  
The hits don't never stop no
