Faith Evans
"Stop N Go"

I knew from the start you were running game
You'd fade away like Jordan then cross you'd me over
when you'd come back again
I'm not superwoman so i can't see what's going on in
your mind
(Spoken: So I figure, you wanna play? I'm willing, I got
some time)

It's been so long that i strung you along
So many dates, so many hours on the phone
And i know you're getting tired of playing the game of
cat and mouse
I wonder if i let you catch me, would you run your
mouth
So i'm not sure if i wanna

Stop
Go
Just move slow with it or...
Let
Go
And enjoy the moment
Stop
Go
So confusing that i
Don't
Know
I feel i wanna explode

We're in the first quarter and i feel i wanna but i know
we oughta not
Cuz if i pass it to you there's a chance that you might
mess around and drop the rock
So you better make sure in the court you're the best i've
ever seen
Cuz i would hate to have to trade you to another team
(Another team)
It's been so hard playing my emotions off
Knowing that i wanna give in but too afraid to go too far
And i know you're getting tired of playing the game of
hard to get
But i wonder if i let you in would you tell your friends

So i'm not sure if i wanna

Stop, go
Just move slow with it or...
Let go
And enjoy the momeny
Stop, go
So confusing that i
Don't know
I feel i wanna explode

My heart, says yes
My mind, says no
Cuz i don't know if i wanna break down and let go
My heart, says yes
My mind, says no
Cuz i know if i break down i'll be wanting more
More this, more that
More time, to chat
And i'll be wanting a commitment from you and much
more of your attention
And...

That's why i'm so confused
When it comes to loving you

Stop, go
Just move slow with it or...
Let go
And enjoy the moment
Stop, go
So confusing that i
Don't know
Feel i wanna explode
Stop, go
Just move slow with it or...
Let go
And enjoy the moment
Stop, go
So confusing that i
Don't know
Feel i wanna explode
