CHORUS-

Wipe your tears away
You don't have to cry no more, no more
Wipe your tears away
You don't have to cry no more
Take my hand, follow me
I've got everything you need

VERSE 1-

Long ago, I had a dream someone would come and
share the years ahead
So I waited and I prayed that he didn't come too late
I didn't know, know your name
But I wanted him to say to me

CHORUS-

Won't you wipe your tears away
You don't have to cry no more
(I don't have to cry) No more
(No...) Wipe your tears away
You don't have (no more) to cry no more
Take my hand (I wanted him to say), follow me
I've got everything you need

VERSE 2-

Come to me so that I can be in love
Boy, I want to be in love
Like carrying on in life alone
No one to hold, but I'm still strong

CHANNEL-

Will I always be alone (Will I...)?
Trying to wait by the phone (waiting by, by the phone)
Hoping one day soon (hoping that you'll)
You'll come and find me
And you'll take me by the hand (you'll take me by the
hand)
And you'll wipe my tears away (and you will wipe my
tears away)

CHORUS

CHANNEL

Tears away, tears away (Tears away)
Won't you wipe (Wipe 'em all) my tears away (My tears
away)
Tears away, (Why don't you come and wipe 'em all
away), tears away
(Wipe...) Come and wipe my tears away (My tears away)
Tears away (Wipe my tears away), tears away
Won't you wipe (I want you to wipe my tears) my tears
away
(Baby, won't you hurry) Tears away, tears away
(No...) Won't you wipe my tears away (Wipe my tears
away)
Tears away, tears away
(I had a dream long ago)
Come and wipe my tears away...
