When I think about it baby  
All I can do is shake my head  
'Cause there ain't no explanation, no reason  
Oh you must be heaven-sent  
With your crazy, crazy, crazy, crazy love (crazy love)  
Boy you got me so messed up, so messed up

Now all I know is your love  
I tear-up when I think about you, boy  
You've got me so emotional  
But when I cry now, they're all tears of joy

Uh, you gotta, you gotta, you gotta understand baby  
I've been through so many things  
My heart has seen the after-thumbs, the highs and the  
lows,  
And every pain life brings  
But now I got you crazy, crazy, crazy love (crazy love)  
And all I wanna do now is sing  
Uh, uh, uh, uh, I just wanna sing for you baby

Now all I know is your love  
I tear-up when I think about you, boy  
You've got me so emotional  
But when I cry now, they're all tears of joy

Said I'm crying, I'm crying now, but it's not like before  
Baby these are tears of joy  
They've been the same since you walked through my  
door  
Baby these are tears of joy

Now all I know is your love  
I tear-up when I think about you, boy  
You've got me so, so emotional  
But when I cry now, they're all tears of joy

Look how you got me crying  
Every every every day yea  
Every day and every night baby

I'm crying now, but it's not like before  
Baby these are tears of joy  
They've been the same since you walked through my  
door  
Baby these are tears of joy  
I'm crying now, but it's not like before  
Baby these are tears of joy
