Once upon a Christmas Eve  
A shepherd who believed  
That peace  
Could come to any man  
Made a promise  
To a star above  
The day that love began

"I will give to him  
My lamb  
A shepherd's all I am"  
And so he walked  
The lonely sand  
To find the place  
His heart was dreaming of  
The day that love began

Over meadows  
Over mountains  
They came from valleys  
And from streams  
Every poet and every king  
And one little shepherd  
With a dream

As the shepherd  
Knelt to pray  
His lamb just ran away  
And tear drops  
Filled his lonely hand  
He broke his promise  
To a star above  
The day that love began

Then the smiling face  
Of Mary  
Beckoned the shepherd  
To her side  
Today you gave Him  
The best gift of all  
The moment  
That you cried

Once upon a Christmas Eve  
A shepherd who believed  
That peace  
Could come to any man  
Found the place  
His heart was dreaming of  
And he made a promise  
To a star above

Said he found the place  
That his heart  
Was dreaming of  
The day that love began  
Began  
The day that love began
