Simply you're not cool enough
For what we had between us
Don't you know you lost my trust

Cause it's so obvious the that it's
Never gonna work for us

Played with my emotions, you gets no devotion (You

You can't even be my friend, and you gets no love

Whatever you do, it will come back to you (You gets no
love
From me)

Rap # 2

You better
Rock my shit
Don't knock my shit
Because I got the shit
To make you cop my shit

I know ya'll sick of this bad boy diva
That go's and plus got flow's ridiculous!

You better
Rock my shit
Don't knock my shit
Because I got the shit
To make you cop my shit

It's the chick from the brick's
That got's the hot shit.

Bridge 3

Boy we had a cool relationship
But you couldn't handle it

At the end of the day what a player gone do, you got
love for that's how it

Sposed to be
Same love i'm gonna lay it on you
Right back at you is only natural
So what i'm gonna do, me, anything love ain't always
lovely
Leave it all up to me, i'll be living in luxury
Suck a freak
Without no lies, without no ties, and those that
patronize, that's why i don't
Socialize
I eat shit, you sleep with open eyes, just gimme that
gasoline, i'll move in
The jag, few bags of green, couple ads in the
magazine
Oh freezy and i'm easy, cheap deezy, one

Played with my emotions, you gets no devotion
(whatever you do, You can't get
No love from me)
You can't even be my friend, and you gets no love
again you can't even be my
Friend, and you gets no love again

You played with my emotions, and you gets no
devotion can't even be my friend,
And you gets no love again
You played with my emotions, and you gets no
devotion can't even be my friend,
And you gets no love again

Played with my emotions, you gets no devotion (you
gets no love)
