Faith Hill & Tim McGraw

Here we are, what is left of a husband and a wife
With four good kids who have a way of getting on with
their lives
And Iâ€™m not old, but Iâ€™m getting a whole lot older
every day
Itâ€™s too late to keep from going crazy, Iâ€™ve got to get
away

The reasons that I canâ€™t stay donâ€™t have a thing to do
with being in love
And I understand that loving a man shouldnâ€™t have to
be this rough
And you ainâ€™t the only one who feels like this worldâ€™s
left you far behind
I donâ€™t know why you gotta be angry all the time

Our boys are strong now, the spitting image of you
when you were young
I hope someday they can see past what you have
become
And I remember every time I said Iâ€™d never leave
But what I canâ€™t live with is memories of the way you
used to be

The reasons that I canâ€™t stay donâ€™t have a thing to do
with being in love
And I understand that loving a man shouldnâ€™t have to
be this rough
And you ainâ€™t the only one who feels like this worldâ€™s
left you far behind
I donâ€™t know why you gotta be angry all the time

Twenty years have come and went since I walked out of
your door
I never quite made it back to the one I was before
And god it hurts me to think of you â€™fore the light in
your eyes was gone
And sometimes I donâ€™t know why this old world canâ€™t
leave well enough alone

The reasons that I can't stay don't have a thing to do
with being in love
And I understand that loving a man shouldn't have to
be this rough
And you ain't the only one who feels like this world's
left you far behind
I don't know why you gotta be angry all the time
I don't know why you gotta be angry all the time
I don't know why you gotta be angry all the time
