I can feel the magic floating in the air  
Being with you gets me that way  
I watch the sunlight dance across your face and I've  
Never been this swept away

All my thoughts just seem to settle on the breeze  
When I'm lying wrapped up in your arms  
The whole world just fades away  
The only thing I hear  
Is the beating of your heart

'Cause I can feel you breathe  
It's washing over me  
Suddenly I'm melting into you  
There's nothing left to prove  
Baby all we need is just to be  
Caught up in the touch  
The slow and steady rush  
Baby, isn't that the way that love's supposed to be  
I can feel you breathe  
Just breathe

In a way I know my heart is waking up

As all the walls come tumbling down  
I'm closer than I've ever felt before  
And I know  
And you know  
There's no need for words right now

'Cause I can feel you breathe  
It's washing over me  
Suddenly I'm melting into you  
There's nothing left to prove  
Baby all we need is just to be  
Caught up in the touch  
The slow and steady rush  
Baby, isn't that the way that love's supposed to be  
I can feel you breathe  
Just breathe

Caught up in the touch

The slow and steady rush  
Baby, isn't that the way that love's supposed to be  
I can feel you breathe  
Just breathe

I can feel the magic floating in the air  
Being with you gets me that way
