[Faith Hill]

Hello world

Hope you're listening

Forgive me if I'm young

For speaking out of turn

There's someone I've been missing

I think that they could be

The better half of me

They're in the wrong place trying to make it right

But I'm tired of justifying

So I say to you...

[Chorus]

Come home

Come home

Cause I've been waiting for you

For so long, so long

And right now there's a war between the vanities

But all I see is you and me

The fight for you is all I've ever known

So come home...

[Faith Hill]

I get lost in the beauty

Of everything I see

The world ain't as half as bad

As they paint it to be

When all the sons, all the daughters

Stopped to take it in

Then hopefully the hate subsides and the love can
begin

It might start now

But maybe I'm just dreaming out loud

But until then

[Chorus]

Come home

Come home

Cause I've been waiting for you

For so long, so long

And right now there's a war between the vanities

But all I see is you and me

The fight for you is all I've ever known
So come home...

[Bridge]
Everything I can't be
Is everything you should be
And that's why I need you here

Everything I can't be
Is everything you should be
And that's why I need you here
So hear this now

[Chorus]
Come home
Come home
Cause I've been waiting for you
For so long, so long
And right now there's a war between the vanities
But all I see is you and me
The fight for you is all I've ever known,
Ever known

Come home...
Come home...
