You got me headed in a new direction  
Got no reason to turn around  
Ain't no looking back or second guessing  
It's time to find what love is really all about

Go the distance  
Let our hearts lead us on  
All the way to forever tonight

Can't resist it  
The feelin's way too strong  
Go the distance this time

The road to love is paved with shiftin' gravel  
We may find ourselves on shaky ground  
And there ain't no place that these two hearts can't  
travel  
Even when we're miles apart, together we are bound to

Go the distance  
Let our hearts lead us on  
All the way to forever tonight

Can't resist it  
The feelin's way too strong  
Go the distance this time

There will be rainy days and bridges left to cross  
But if we lose our way we can't get lost if we

Go the distance  
Let our hearts lead us on  
All the way to forever tonight

Can't resist it, no  
The feelin's way too strong  
Go the distance this time  
They're gonna know

Go the distance, baby  
Let our hearts lead us on  
All the way to forever tonight

Can't resist it, no  
The feelin's way too strong  
Go the distance this time
