Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride

Lyin' on the bank of the river  
Stars are dancin', Lord it's hot  
Holdin' you is what I live for  
I just had a crazy thought

Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride

We'll find a little wedding chapel  
A pair of rings and a preacher too  
Underneath the neon steeple  
We'll take a gamble and say, "I do"

Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride

Viva Las Vegas, sparklin' lights  
Dangerous livin', tumblin' dice

You're my ace in the hole now honey  
And I'm your lady luck  
Pack a few things and a little money  
And put 'em in the truck

Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride

Viva Las Vegas, sparklin' lights  
Dangerous livin', tumblin' dice

You're my ace in the hole now honey

And I'm your lady luck  
Pack a few things and a little money  
And put 'em in the truck

Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride

Hey baby, let's go to Vegas  
Kiss the single life goodbye  
Hey baby, let's go to Vegas  
Bet on love and let it ride

Bet on love and let it ride  
Bet on love and let it ride
