How do I get through a night without you
If I had to live without you
What kind of life would that be
Oh and I, I need you in my arms, need you to hold
You're my world, my heart, my soul

If you ever leave
Baby, you would take away everything good in my life

Mmm, without you there'd be no sun in my sky
There would be no love in my life
There'd be no world left for me
And I, baby I don't know what I would do
I'd be lost if I lost you

If you ever leave
Baby, you would take away everything real in my life
And tell me now

How do I live without you, I want to know
How do I breathe without you if you ever go
How do I ever, ever survive
How do I, how do I, oh how do I live

If you ever leave
Baby you would take away everything
Need you with me
Baby cos you know that you're everything good in my
life
And tell me now

How do I live without you, I want to know
How do I breathe without you if you ever go
How do I ever, ever survive
How do I, how do I, oh how do I live
How do I live without you, baby
