(Gordon Kennedy/Wayne Kirkpatrick)

When you start falling
Who's gonna catch ya
I'm willing to betcha
It will be me
Who's gonna love ya
Like there's no other
Search and discover
It will be me

When all the others
Have gone and hurt you
Who won't desert you
It will be me
Weighing the options
So much to think of
But when you think love
It will be me

You may not see it now
Love is strange that way
But someday, someday

Baby somehow

When you've been broken
And dreams don't oblige ya
Who's that beside ya
Oh, it will be me

You may not see it now
Love is strange that way
But someday, someday
Baby somehow

Who'll be your only
True romancer
You know the answer
It will be me
What will it take to
Bring you to your senses

And finally convince you
It will be me
