Dancin' in the dark, middle of the night
Takin' your heart and holdin' it tight
Emotional touch, touchin' my skin
And askin' you to do what you've been doin' all over
again

Oh, it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go

It's your love, it just does somethin' to me
It sends a shock right through me
I can't get enough and if you wonder
About the spell I'm under, oh, it's your love

Better than I was, more than I am
And all of this happened by takin' your hand
And who I am now is who I wanted to be
And now that we're together I'm stronger than ever, I'm
happy and free

Oh, it's a beautiful thing
Don't think I can keep it all in, no
And if you asked me why I changed
All I gotta do is say your sweet name

It's your love, it just does somethin' to me
It sends a shock right through me
I can't get enough and if you wonder
About the spell I'm under, oh, it's your love, oh, baby

Oh, it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go

It's your love, it just does somethin' to me
It sends a shock right through me
I can't get enough and if you wonder
About the spell I'm under, oh, it's your love
It's your love, it's your love
