Visit "[Love Ain't Like That](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You can't buy it at the store  
Try it on for size  
Then bring it back if it don't feel right  
No love, love ain't like that

You can't trade it in  
Like an automobile  
That's got too many miles an' rust on it's wheels  
No love, love ain't like that

Love ain't that easy to define  
You can't build it by design  
It takes its own sweet time

It don't fall from the sky  
Like a tiny drop of rain  
That hits you right between the eyes one day  
No love, love ain't like that

You can't put your money down  
An' just roll the dice  
Think you're gonna win it all some night  
No love, love ain't like that  
Love ain't that easy to define  
You can't build it by design  
It takes its own sweet time

You can't buy it at the store  
Try it on for size  
Bring it back if it don't feel right  
No love, love ain't like that

Love, no love, love, love ain't like that  
Can't trade it in like an automobile  
Too many miles and rust on the wheels  
No love, no love no, it ain't like that

Love, love, love, love, love, love, love  
Oh love, it ain't like that

It don't fall from the sky  
You can't trade it in

Can't buy it at the store  
Then take it back again
