So hot outside all I can wear is these cut off overalls
And sandals on my feet
Well I emptied my pockets for bus ticket
Just so I could sit there in a broken seat

I got no place I should go
I got no worries ya know
Second or seventh street
It doesnt matter to me

Chorus:

'Cause you're mine it's all I need to know
The sun shines everywhere we go
It's so right 'cause I got you to hold every night
Yeah, I'm the lucky one
I'm the lucky one

Well I pulled back down to my upstreat apartment
The air never works in that old place
27 I thought I'd be
Farther long then just this rented space

I got no papers to read
I got no cable TV, no
I got no places to be
I got no people to meet

'Cause you're mine it's all I need to know
The sun shines everywhere we go
So right 'cause I got you to hold every night
Ya I'm the lucky one
I'm the lucky one
Ya I'm the lucky one

I'm on a roll when I'm with you
Dont stop me now
I just can't lose

'Cause you're mine that's all I need to know
The sun shines everywhere we go
So right 'cause I got you to hold every night

'Cause you're mine it's all I need to know
The sun shines everywhere we go
It's so right 'cause I got you to hold every night
Ya I'm the lucky one (I'm the lucky one)
I'm the lucky one (I'm the lucky one)

Ya I'm the lucky one (I'm the lucky one)
I'm the lucky one
